Description

The name 'Air Bed' says it all: the idea was to add softness, roundness and overall lightness to the usual concept of a bed. Ethnicraft's Air bed in solid oak manages to look sturdy yet light at the same time.

For mattress size 76" x 80". Includes bed slats.

Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
