Description

When drawing the Ellipse sofa, designer Jacques Deneef thought of an elegant piece with a generous seating. The natural fabric is woven exclusively for Ethnicraft in Belgium. Its coating repels stains, preventing small accidents of life. Available in "oatmeal" or "ash", these sophisticated yet simple colours will fit perfectly an urban apartment as well as a country house. To complete the look, mix it with our cushion and throw collection.

Seating height: 40cm - 15.8".

Designer Jacques Deneef

Jacques Deneef is an Antwerp-based designer with a fascination for basic materials such as glass, wood, leather, paper and wax. After entering the world of art via his talents in oil and acrylic painting, he now focuses his time giving used objects new leases of life, alongside design development in sectors such as jewellery, lighting, textile, furniture and decoration. In offering objects a new existence, Jacques believes they are transformed into something new, they are made useful in some other way, ultimately resolving into their final destination: a work of art.
