The sideboard's generous top and internal shelving offer practical storage with visual appeal. Crafted from solid mahogany with a rich varnish finish that highlights the natural grain, it stands on distinctive legs that lend a light, elevated stance to this functional classic.

Features 2 sliding doors and an adjustable internal shelf.

Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, PI, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
