

Geometric dining table - oak - round

150/150/76

53067

Description

In the Geometric collection, shapes intersect in unexpected ways, creating playful contrasts with light and shadow at every angle. Inspired by the bestselling side table, the round Geometric dining table makes a practical statement.

Made from solid oak with a hardwax oil finish.

Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
