## Description

The Grooves coffee table brings a soulful element to a room. Every single line is hand carved, making each piece truly unique. Small imperfections are part of the story; even more so, they enhance Grooves' character. The result is a slightly different surface every time, each with its own rhythm and dynamics. The coffee table acts as an understated focal point in a living room or lounge setting.

Made from off black-tainted solid FSC-certified teak with a varnish finish.
