Description

The Grooves TV cupboard in solid teak is soulful to say the least. Every single line you see is hand carved, making each piece truly unique. Small imperfections are part of the story, even more so: they enhance Grooves' character. The result is a slightly different surface every time, each with its own rhythm and dynamics. The beautiful dark tinted teak continues on the inside, where shelves and drawers will hold your most cherished objects.

This Grooves TV cupboard features 1 flip-down door and 2 drawers.
