Description

A subdued color palette meets captivating motifs inspired by nature and travel. This White Slice wooden tray experiments with the balance between rich patterns offset with muted tones, revealing the beauty behind the deceptively ordinary subjects from which inspiration is drawn. In doing so, this collection captures the essence of timelessness.

Designer Dawn Sweitzer

An overflow of creative energy and a profound interest into the world of craftsmanship is what jump-started Dawn Sweitzer's journey as an artist. Her works are expressions based on travel, enriching cultures, textures within the landscape, photography, food and fashion. There is no fixed formula to how designs are conceived, they blend ideas, they reference vintage with modern. Within her beautiful North Carolina studio, Dawn works, plays and discovers in a variety of media: paint, woven textile, mirror and glass, home accessories and decorations
