Description

The square tray table is one of our most versatile pieces: while it serves its function as a coffee table, its ability to adopt different trays allows you to mix or match various colors and patterns, creating a personal piece that is uniquely yours. And of course, a set equals twice the fun and creativity.

Designer Dawn Sweitzer

An overflow of creative energy and a profound interest into the world of craftsmanship is what jump-started Dawn Sweitzer's journey as an artist. Her works are expressions based on travel, enriching cultures, textures within the landscape, photography, food and fashion. There is no fixed formula to how designs are conceived, they blend ideas, they reference vintage with modern. Within her beautiful North Carolina studio, Dawn works, plays and discovers in a variety of media: paint, woven textile, mirror and glass, home accessories and decorations
