

Wave cupboard - oak - 2 sliding doors - 2 inside drawers 110/46/183

51455

Description

The subtle contours of the cabinet doors and the distinguished shape of the feet are what make the Wave collection so special. Made of solid wood, this storage cupboard's doors and drawers have no handles and feature a soft closing mechanism.

The Wave storage cupboard features 2 sliding doors in tempered glass, and 2 drawers.

Designer Alain Van Havre

For Alain van Havre, inspiration is everything. Deeply connected to his environment and passionate about natural materials, he has developed an exceptional expertise for woodworking. Over the years, he has created his own visual language centred around form, a translation best described in collections such as the Bok, Graphic, Pl, and Stairs. He believes that for someone to connect with a design, it is important to bring it closer to nature. Over the past 20 years Alain has played a pivotal role in influencing the Ethnicraft designs we know and love today.
